Indoor pool for pool parties for upto 70 guests

The interior of the indoor swimming pool on the ground floor of The House of MG is inspired by a *Pichhwai* (hand painted textile) from *Nathdwara* in Rajasthan. The pool has beautiful, green, fountained courtyards on both sides and is yet an undiscovered party location whether it is for a children's party or a leisurely brunch party.

Play Zone for Kids

Gammat is the House of MG's 'fun zone' for children, 4 to 12 years of age. The space has trained facilitators who ensure that the tiny tots are safe. They are engaged in playing board games, exploring handmade toys, learning arts and craft, doing various DIY projects, reading curated children's books or simply having fun with other children.

### SHOP

Learning through playing!

All the products at Gammat are eco-friendly, sustainable and handmade. We have a unique selection of toys, games, DIY kits, art and craft tools as well as books from across India that you will not find anywhere else.
